

Amir Salim

Founder and initiator of SolGlow Innovations

Head of Product & Delivery, Unipark

Astana, Kazakhstan · i.amirsktl@gmail.com

Public professional CV for the SolGlow website · October 2026

ROLE IN SOLGLOW

Founder and initiator of SolGlow Innovations, a project that is restarting and preparing a pilot. Participants, site, equipment and funding for the new phase are being determined.

EXECUTIVE PROFILE

Head of Product & Delivery with experience across SaaS, entrepreneurship, digital transformation and complex program execution. Leads multi-product portfolios across zero-to-one development, commercial launch, platform modernization and go-to-market validation.

PROFESSIONAL EXPERIENCE

Head of Product & Delivery · Unipark

Jan 2026 – Present · Astana, Kazakhstan

- **Portfolio leadership.** Sets cross-product strategy, priorities, scope and release sequencing; audited legacy systems and drove modernization.
- **Silkventa.org & BaiBus.kz.** Directed product execution and commercial launches of both platforms, coordinating roadmap decisions, cross-functional delivery, release readiness and transition into live operations.
- **iLeu 2.0.** Led the rebuild of a multi-tenant B2B workspace and public business network; now driving go-to-market and customer validation.
- **UniPark 2.0.** Leads a phased modernization of the transport marketplace and operations platform, covering driver and customer journeys, dispatch, permissions and release acceptance.
- **Sauap.kz.** Brought the public-interest and fundraising platform to product readiness while the associated charitable foundation was launched; payment activation remains dependent on acquiring integration.
- **Delivery practice.** Embedded Cursor and Codex into discovery, specifications, implementation and QA; established merge-request workflows, CI/CD and security gates, staged deployments and release controls.

Business Analyst · Business Craft Solutions

Feb 2025 – Jan 2026 · New York, USA (remote)

- Produced strategic business plans with market research, feasibility assessments and financial forecasts for investment and immigration use cases.
- Built ROI, IRR, NPV, cash-flow, break-even, sensitivity and market-sizing models; prepared investment memos and executive presentations.

Senior Project Manager · KazInterTech SP

Feb 2024 – Jul 2024 · Astana, Kazakhstan

- Led end-to-end execution of an education infrastructure program for rural schools, from contracting and procurement through delivery and handover.
- Managed suppliers, logistics, schedule risk, QA and executive reporting under fixed deadlines.

Founder & CEO · QUI LLP / SolGlow Innovations

Sep 2022 – Jan 2024 · Kazakhstan · *earlier stage of the project*

- Founded a technology R&D and commercialization venture; led strategic planning, stakeholder negotiations, budgeting and business development.

Founder & CEO · AE-PARK Education Center

May 2021 – Dec 2023 · Kazakhstan

- Founded and scaled a regional education business with responsibility for P&L, positioning, hiring, service quality and operations.
- Developed international education initiatives.

Associate Founder (Advisory, part-time) · SCS Coliseum

Feb 2018 – Jan 2024 · Remote

- Co-founded an early-stage space-technology initiative; shaped go-to-market hypotheses, partnerships and commercialization planning.
